WHY NOT ADVERTISE PARIS?

Every town, every community,
has something to offer to the visitor
and the intending homeseeker. It is
well that the advantages of the center
be gotten up in a presentable
form so that those who are seeking
may possess a clear idea of those ad-
vantages. In these days nearly
every locality relies to a great ex-
tent on the written as well as the
spoken word.

A booklet, stating what is to be
found in the way of natural ad-
vantages in Paris, as well as every
other kind of useful and reliable
information, should be published
here every year. The cost of this
little enterprise is not very great,
and the benefits to the town that
would be derived from it are past
calculation. It would be to the city
what advertising in the newspapers
is to the merchants. We have much
in Paris that is of interest, and
much that would be of value to the
merchant or family intending to be-
come residents of the city. The
matter could be prepared by citizens
of the city, who are in possession of
the facts, and could be put into such
form that would have everything
made clear in a brief manner. Let
us have a forward movement along
this line.

GLAD SHE TOOK FRIEND'S ADVICE

Mrs. Messick Has New Strength.
Life and Energy Since
Taking Tanlac

"I just cannot say enough in
praise of Tanlac for the way it has
given me new life, strength and en-
ergy," was the statement made a
few days ago by Mrs. George Mes-
sick, of Dallas City, Ill., when she
called at Henry's drug store, in
Burlington, Iowa.

"When I began taking Tanlac I
had practically lost my appetite and
I suffered so bad from stomach
trouble that the little I did eat dis-
agreed with me," continued Mrs.
Messick. "I was nervous and rest-
less and at night I could not sleep
well. I was losing weight con-
stantly and I was so run-down gen-
erally that it looked like I had lost
all the strength and ambition I ever
had."

"I started taking Tanlac on the
advice of a friend and now after fin-
ishing four bottles I am feeling just
like a new woman. I have a fine
appetite and can eat anything I
want without suffering any bad ef-
fects at all. My nerves don't give
me any more trouble and I can sleep
all night long. I have gained eight
pounds and I just feel so fine and
strong that I know I am going to
enjoy the Christmas holidays more
than I have in years."

"My husband has just bought
three bottles of Tanlac and has
started taking it and says he wants
an appetite like mine, so he can eat
as much as I do and not have to
suffer for it. I am certainly grate-
ful to Tanlac and without doubt I
consider it the best medicine ever
made."

Tanlac is sold in Paris at the
People's Pharmacy. (adv)

It's all right to take the bull by
the horns if you can find one that
will submit to the operation.

SALE OF DUROC HOGS BRINGS \$361.83 AVERAGE.

At the Collinwood Farm, at North
Middletown, Tuesday, Messrs. Wm.
Collins and George Clayton held their
sale of pure bred Duroc hogs to a
select crowd of buyers representing
a number of other states, as well as
local buyers.

Forty-five Duroc Jersey sows, pur-
chased from choice herds and bred
to the head of the Collinwood herd,
Orion Dixie King, average \$361.83.
Orion Dixie King is the litter mate
of Scissors, the world's grand cham-
pion boar.

The top price \$1,000 was paid by
Mayfield Farm, Lexington. They
also bought one at \$200 and one at
\$230.

Eastern Arkansas Demonstration
Farm, White Duroc Farm, Columbia
Tenn., one at \$800.

Enoch's Farm, Fernwood, Miss.,
one at \$800; one at \$810 and one
at \$550.

\$680, and one at \$400.

\$505, one at \$150 and two at \$200.

and one at \$255.

One of the most attractive fea-
tures of the sale was the splendid
luncheon served by the ladies of
North Middletown which was great-
ly enjoyed.

On to-day in the same barn, at
Collinwood Farm, Mr. W. S. Meng
will conduct his sale of fine hogs.

ANOTHER LOCAL WOMAN HELPED BY VOLA-TONIC

"What I've Needed All My Life,"
Says Mrs. E. N. Bowles.

Another Paris woman highly re-
commends Volatonic, "Builder of
Strength."

Mrs. E. N. Bowles, of 255 Har-
mon street, Paris, said recently that
she believed Volatonic was the
medicine she had needed all her life.

"All my life I have suffered with
my stomach," Mrs. Bowles said.
"Food soured on my stomach after
every meal and caused me severe
pains. I was badly constipated, too,
and had to take laxatives all the
time. I also have had attacks of
sick headache often and frequently
had spells of dizziness. When I
would lean over, for instance, I
would get so dizzy that everything
in the room would seem to be
whirling around and around and I'd
have to take hold of something to
keep from falling."

"I believe that Volatonic is the
medicine I have been needing all
my life. It surely has helped me and
I am glad to recommend such a
medicine to all my friends."

Good appetite, good digestion,
good blood, good nerves—those four
things bring strength and better
health and Volatonic, "Builder of
Strength," brings those four things
Vola-Tonic helps the stomach take
strengthening nutrition from food
to nourish and build up the body
and system and it soothes the
nerves, thus permitting sound, en-
ergy-restoring sleep at night. As a
result, the former weakened, run-
down man or woman soon returns
to full normal strength and health.

Vola-Tonic, "Builder of Strength,"
is being specially introduced in Paris
at Varden & Son's, druggists.

HERE'S SOME REAL JOY; COST OF LIVING TO DROP.

A decrease in the cost of living
in the next few months is predicted
by Arthur Williams, Federal Food
Administrator.

He based his belief on the spirit
of economy prevailing among the
people as a whole, decreased ex-
ports and increased production.

Prices of clothing will drop
sharply within a year, Mr. Williams
believes, and he advised against
stocking up on apparel now. The
wiser course, he says, is to buy only
clothes that actually are needed.

BOURBON CONTRIBUTOR TO SOL- DIERS' MEMORIAL HOSPITAL

Shelby county is planning to erect
a Soldiers' Memorial Hospital in
honor of the soldiers and sailors of
that county who died during the
great world war, either on the field
of battle, or in army camps and hos-
pitals. The hospital is also intend-
ed as a memorial to Gen. J. Frank-
lin Bell, a native of Shelby county.

To date the sum of \$450 has been
raised by contributors from ex-ser-
vice men. Among the contributors
was one of \$100 from J. W. Bell, of
Paris, a relative of General J.
Franklin Bell.

This brings the thought: When
will the dead soldiers and sailors of
Bourbon county be honored by the
erection of a memorial, and what
will it be?

MOVEMENT FOR BETTER PAY FOR TEACHERS WORLD-WIDE

The movement for better pay for
teachers, not only in the public
schools, but for college professors is
practically world-wide. Many of the
leading colleges of America have
taken it up and the legislatures of
the States are studying the problem.
"Teachers are asking for a salary,
not commensurate with the value of
their service—America is not rich
enough to pay them that," says
Newton Marshall Tall, "but large
enough on which to live, not penu-
riously nor luxuriously, but in ac-
cordance with the dignity of their
high calling."
